Principal's Message

Greetings Mustang Families,
It's been a fabulous first few weeks of school! I am very excited, and so proud for what this year has in store. It's the end of August and we are in full swing helping students settle in to school routines and procedures. Our teachers haven't wasted any time establishing a culture of academic rigor in our classrooms. Students are working hard and achieving goals.

I am pleased to announce some new additions to our Mustang family. We are committed to creating the best environment for students and that means building a team that loves children and is committed to excellence.

Thank you for trusting us with your children. It is an honor to be a part of their educational journey. Please consider becoming a parent volunteer and join us in the classroom and for school events. We value your partnership and support.

Sincerely,
Ashley Vette

DROP OFF AND PICK UP

Student drop-off begins at 7:50 each morning. If you need to park to help your little one out of the car, please pull into a parking spot so that the drop off/ pick up lane can flow smoothly. If you are dropping off curbside, please stay in your vehicle and encourage your student to move quickly.

Mustang Stampede

Every Friday morning we have the Mustang Stampede. This is a time where the whole school comes together to celebrate students and build culture. Parents are welcome to attend, and join us in the parent area.

Don't forget to wear red!

Birthdays @ School

Parents, if you would like to bring in something for your child's birthday, please remember:

Arrange with the teacher so they are aware and can communicate any classroom allergies/ expectations.

Bring enough treats for the whole class.

Any food items must be store bought and packaged.

Thank you!

READ READ READ

We have our first member of the 100 point club! This student made this achievement within the first week of school.

Way to go!

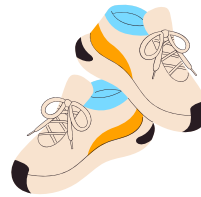

Big congrats to **Roan S.!**

Keep working hard and read, read, read!

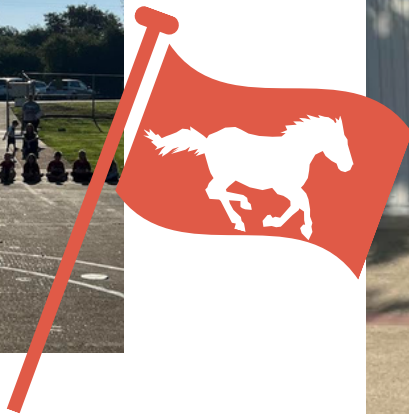

Spirit Flag

Our spirit flag is earned every Friday by one class. We award points for following the schoolwide expectations, cheering during the Mustang Stampede, wearing red, and participation. Sometimes we end up with a tie and teachers have to play rock paper scissors to decide the winning class!

PE Award

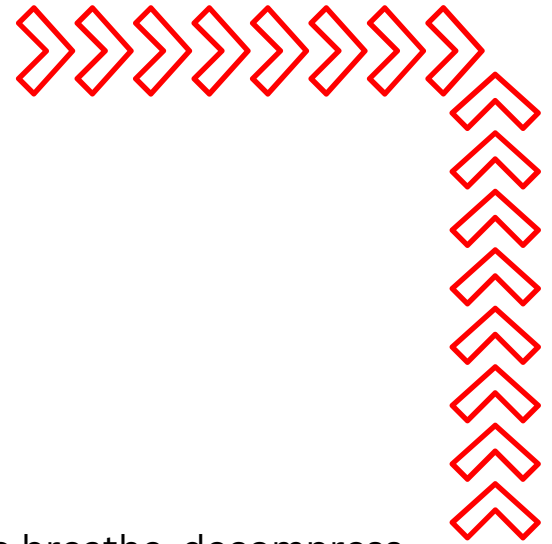

The traveling trophy is awarded to one class every other week. Congratulations to team 4/5! Coach V thought you guys did a great job following the rules and trying hard at everything you do.

Wellness Room

By Kathryn Pietz
Wellness Para

What is a Wellness Room?

Everyone, including children, need moments to breathe, decompress and reflect. Doing so, allows students to reflect, reset, and be able to fully engage in learning. The Wellness Room will be a calming, distraction-free place where every student will have an opportunity to benefit from its availability on campus.

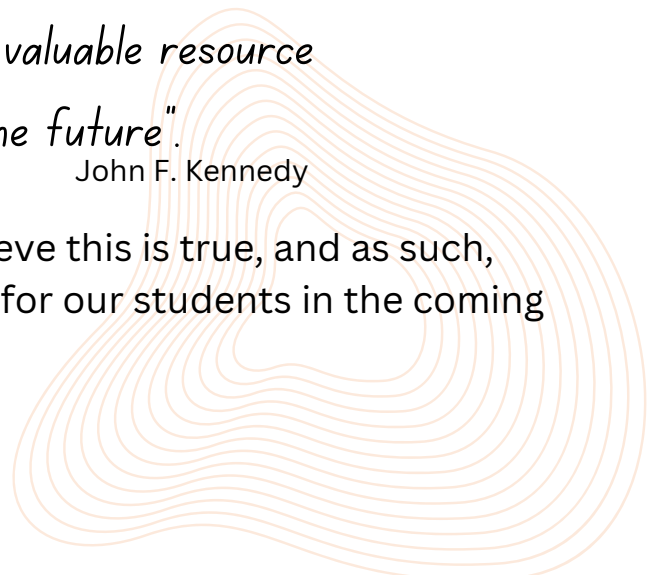

The goal of our Wellness Room is to provide students a place to independently manage their own emotions, solve problems, and/or talk with a trusted adult. Students can communicate their wants and needs, name emotions, use coping strategies, reflect, and then return to class ready to learn. These skills will be an excellent tool for them throughout their lives. The Wellness room is never a form of punishment or reward, but rather a resource to provide wellness more abundantly in our school.

We look forward to sharing more Wellness Room updates soon.

*"Children are the world's most valuable resource
and its best hope for the future".*

John F. Kennedy

At Loma Rica Elementary School we believe this is true, and as such, we are excited to offer a Wellness Room for our students in the coming months.

Having fun while we learn...

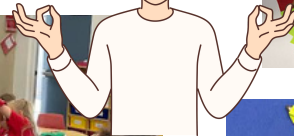

MS. ANDERSON

TK and kinders practiced their balancing skills by putting beanbags on their heads and arms!

MRS. SWALEH

Mrs. Swaleh's class worked on a kindness project and made back to school apples to decorate the walls of the classroom.

MS. STOBAUGH

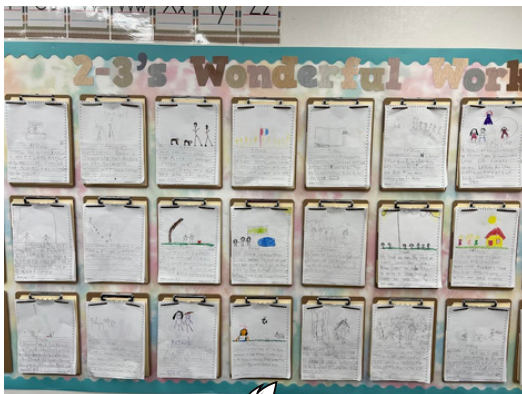

Ms. Stobaugh's class is making art portfolios. So far they have drawn their hands, and created pieces describing friends!

Team 4/5 had to get Fred the worm into his "life preserver" and "boat" by only using two paperclips and teamwork.
