### Principal's Message

Dear families,

There is nothing better than to watch young people thrive while they are at school and December was a really amazing month for us at Loma Rica Elementary. Students met several academic goals and also had lots of fun at school. Sometimes the week right before winter break can be a pretty wild ride, but this was one of the best I've had in 23 years in education. I hope my sentiments are shared by our whole staff and school community. I attribute success to the dedicated educators, an involved PTO group, and our supportive families. Thank you.

Our little Winter Gathering was just perfect. Our school hasn't had something like this in years and we were happy to host a version that seemed "just right." It was simple, but full of love and holiday cheer. I am thankful that the Loma Rica Community Church opened their doors to us when Foothill wasn't available. The warm and welcoming atmosphere was better than anything we could have created in the gym with construction happening. I am also very appreciative to our families for going with the flow of the night. You were helpful and patient while we got everyone where they needed to be. It was better than we imagined.

Lastly, I am grateful for our special visitor, Jolly Old St. Nick, a.k.a. Rob Gregor, Yuba County Superintendent of Schools. He was busy helping the big guy and got to meet so many of our students and families. He was happy to be a part of our event and we were lucky to have him in full uniform. 

Have a wonderful winter break and we look forward to seeing you in 2024!

Sincerely,  
*Ashley Vette*  
Principal

HOME OF THE MUSTANGS

# Winter Gathering

Our students put on a beautiful performance during the Winter Gathering on December 14th.

Santa told us he was amazed with our students and our school community, and he also really enjoyed the cookies!

**Great job Mustangs!**

# Mustang Stampede

We had a little encore performance when students sang “We Wish You a Merry Christmas” at our last stampede before winter recess.

The crowd couldn't help but join!  
Great job Mustangs!

# Winter Craft Day

Nothing more exciting than painting and cookie decorating before going on winter break. Our amazing PTO sponsored and coordinated this fun filled day.

**Thank you PTO!**

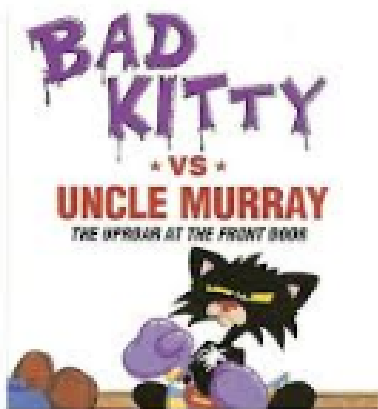

The staff at Loma Rica School wishes you a safe and happy winter recess!

# When to Keep Your Child Home from School or Child Care

Below are suggestions for when to keep your child home when they are not feeling well. Contact a health care provider if your child needs medical care. A doctor's note is generally not required to return to school or child care. For more information, please visit the [CDPH guidance page](#).

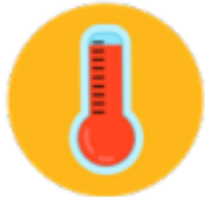

## Symptom of Illness

**Overall, not feeling well**

## When should my child stay home and when can they return?

**STAY HOME IF** any new illness or symptom prevents a child from participating meaningfully in routine activities.

**Fever**

**STAY HOME IF** a fever is of 100.4°F (38°C) or higher.  
**RETURN WHEN** fever went away over the night and is gone in the morning without the use of medications such as Tylenol®, Advil®, or Motrin® (acetaminophen or ibuprofen).

**Vomiting**

**STAY HOME IF** vomiting has occurred 2 or more times in 24 hours.  
**RETURN WHEN** vomiting has ended overnight, and your child is able to hold down liquids and food. Recommend frequent handwashing.

**Diarrhea**

**STAY HOME IF** your child's stool is likely to leak from the diaper, or if they are unlikely to make it to the toilet in time (if potty trained). If the stool looks bloody or black, seek medical attention.

**RETURN WHEN** improving. Recommend frequent hand washing.

Scan the QR code find the latest version of this flyer.

# When to Keep Your Child Home from School or Child Care

## Symptom of Illness

### Sore throat

## When should my child stay home and when can they return?

**OK TO ATTEND WITH MILD SYMPTOMS.** Please consider wearing a mask if age 2 years or older.

**STAY HOME AND SEEK MEDICAL ATTENTION** for difficulty breathing or swallowing, or continuous drooling.

**RETURN WHEN IMPROVING.** If an antibiotic is prescribed, take the first dose at least 12 hours before returning.

### Cold symptoms, such as cough, stuffy/runny nose, sneeze

**OK TO ATTEND WITH MILD SYMPTOMS.** Please consider wearing a mask if age 2 years or older.

**STAY HOME AND SEEK MEDICAL ATTENTION** for severe symptoms, including a bad cough, difficulty breathing or trouble catching their breath, or wheezing when not controlled by medication (like albuterol).

**RETURN WHEN IMPROVING.** If your child will need medication after returning, contact the site to let them know.

### Ear or eye irritation, including pink eye

**OK TO ATTEND WITH MILD SYMPTOMS.** Recommend frequent handwashing.

**STAY HOME AND SEEK MEDICAL ATTENTION** for difficulty seeing or hearing, an eye injury, or pain they cannot tolerate.

### Rash

**OK TO ATTEND WITH MILD SYMPTOMS.**

**STAY HOME AND SEEK MEDICAL ATTENTION** if rash is worsening, causing pain, has blisters, or is not healing.

**RETURN WHEN IMPROVING** or as guided by health care provider. In general, for conditions such as lice, impetigo, ringworm, scabies, and pinworms, your child may return as soon as they start appropriate treatment.
