## Principal's Message

Greetings Mustang Families,  
September went by in a flash and it finally feels like fall. Speaking of fall, our PTO is busy planning our Truck or Treat Fall Festival. We look forward to having you join us October 18th to celebrate the season, visit, and enjoy the company of our students and families. More information is included in this newsletter, and volunteers with cool vehicles to share are still needed.

Just before school started this year, our older portables received new exterior siding, and the entire exterior of the school got a fresh coat of paint. We will be getting some updates to our office very soon, and some older classrooms will get new flooring. We are excited about the updates our little school has received in the last two years. Our students are very observant and always appreciate updates to their classrooms and school.

We are happy so many parents were able to make it to conferences last week. Our teachers value your partnership and support. If you were unable to meet with your child's teacher, you can reach out at anytime to schedule a time to connect or talk.

Thank you for being a mustang family! We are happy to be a part of your child's educational journey.

Sincerely,  
Ashley Vette  
Principal

# DOT DAY

We had a fun time on **Dot Day**. This was a PTO sponsored STEAM event based on the book, "The Dot". The theme of this book is that a person can be inspired to create something even when they don't feel they're good at it. Every student loved getting to read the book and learn a valuable lesson with fun, hands on, activities.

"Just make a **MARK** and see where it takes you."  
- the dot by PETER H. RABINOVITZ

---

# 200 Point Club

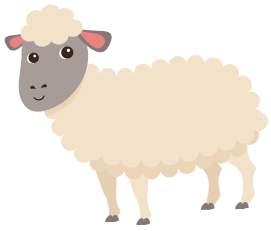

Congratulations to **Roan S.**  
for making it to the 200 point  
club. You are a reading  
rockstar!

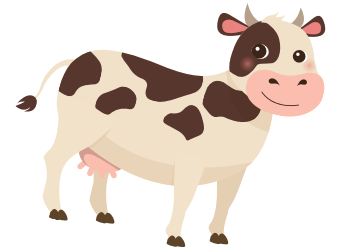

## Mustang Stampede

We love to  
celebrate student  
achievement  
every Friday at  
the Mustang  
Stampede!

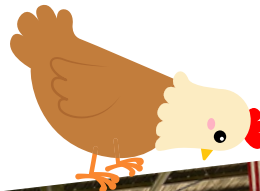

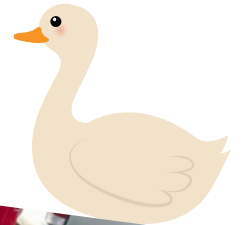

# Farm Day

Our 3rd Grade students spent the day learning outdoors at Yuba Sutter Farm Day. More than 2,000 local third-grade students, teachers and volunteers, visited the Yuba-Sutter Fairgrounds for a fun-filled day of learning all about agriculture.

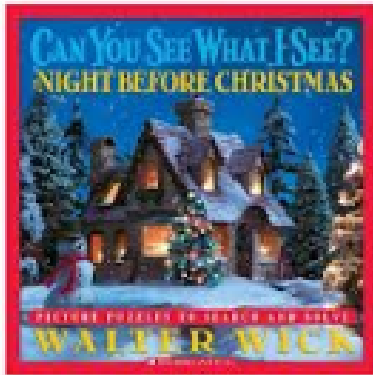

Farm Day provides educational exhibits (equipment, livestock, and crops), and demonstrations geared towards educating our local 3rd grade students on the important role agriculture plays in our lives and in our community.
